Royal Mail Keepsafe®

Keeping your mail safe
while you're away

Royal Mail

Royal Mail Keepsafe®

If you're planning to be away from your home, you'll want to make sure that you don't leave any obvious clues, like a pile of mail on your doormat.

You'll also want to make sure that any important letters or valuable documents or parcels sent to you while you're away are kept in safe hands.

Royal Mail Keepsafe® gives you peace of mind that your mail is being looked after while you're away and will be delivered to you on the date you choose or the next available delivery. Please note that mail addressed to "the occupier" will not be held by us, unless indicated on the application form that you want us to hold mail for all individuals at the address.

You'll have enough to think about just before you go away, so why not arrange your Royal Mail Keepsafe® in good time before you go? **We only need five working days notice from when we receive your application.**

Simply complete the form opposite and send it to us in the pre-paid envelope.
